Department Contact:

Professor John Graham

jwgraham@andromeda.rutgers.edu

Phone: (973) 353-5259

Fax: (973) 353-5819

Maximum Internship Credits:

Three (3) credits

Requirements:

- 150 hours must be completed during the semester for credit to be awarded.
- Internships may be obtained through through The Career Development Center (CDC) by attending a Career Center Activation Meeting to access internship listings. Students may also obtain positions on their own and through the Department.
- The Department of Economics offers Individual Study in Economics. Students *may* be able to combine this academic experience with an internship taken outside the Department. Naturally, **the Individual Study comes under the control of the Department (and its faculty)**. Therefore, students must discuss the prospect of obtaining credit for an internship with the faculty of the Department.
- The student and employer must complete an Economics Internship Contract and have it approved through the CDC. After the CDC approves of the contract, Professor Graham or designated faculty member will have the final approval of descriptions of field/internship experiences, written by the organization and/or employer.
